WELCOME TO COVENANT HOME SCHOOL RESOURCE CENTER!

Welcome, students and parents, to the 2025-2026 school year. Our entire team is looking forward to this upcoming year and we truly appreciate you entrusting your children to CHSRC as your family takes advantage of some of our classes, workshops, events, testing, and activities.

The CHSRC Student and Parent Handbook is provided to help ensure all students have an excellent learning experience. Parents should use this handbook as a framework for discussing with their child academic expectations, as well as behavior. It is our wish that everyone has a productive, safe, and fun experience at CHSRC.

This publication includes information that families may need throughout the school year, including contact numbers, and other resources. The current version of this CHSRC Student and Parent Handbook can be found online at chsrc.org. It will be updated during the year, if necessary.

Thank you for working with us to create a learning environment where everyone is treated with respect and is free to learn and explore new ideas and interests.

Please contact the office should you have questions regarding this handbook.

We look forward to working together with you to prepare your child for an extraordinary year of learning.

Executive Director

Sovereign Grace Bible Church

We would like to thank Sovereign Grace Bible Church for their loving support of CHSRC. SGBC has been amazing to work with. We truly feel a sense of community and a shared desire to support parent-led Christian education throughout Arizona.

Please remind your children that each day they go to CHSRC they also go to a church campus. Everyone is expected to behave with respect for each other, as well as, all adults they encounter.

Campus Safety

Supervision of students: The safety of each child is of the utmost priority. Following the guidelines of SGBC, all students 12 and under need to be supervised at all times. Staff is responsible for supervising students 13 and up ONLY during event time. It is the parents responsibility to make sure their child follows safe and appropriate behavior prior to and after their CHSRC activity.

Drop-off and pick-up: Elementary students may be escorted into their class, by the parent, 5 minutes before start time. At the end of each class, elementary students can be picked up in the classroom. Parents of 12 and under **IOWA testing** students are expected to remain with their child until testing begins. Please pick up your child promptly. *Late pick-up fees of \$25 per hour (charged in 15 minute increments) may apply.*

First aid: There is a fully stocked first aid kit on site. The teacher or office staff will administer first aid for minor scrapes. Parents will be notified immediately if health issues or accidents occur.

Restroom Policy: Children 12 and under are required to be supervised by a parent or guardian while in the restroom. Please make sure your child uses the restroom prior to their scheduled event.

General Information

Class Schedules: All class schedules are available at chsrc.org. Please mark your calendars with all registered event dates. CHSRC does not send reminder emails.

Class Placement: Students wishing to register for a class above their grade level must first obtain permission from the instructor. If permission is not secured in advance, CHSRC reserves the right to withdraw the student if the class content proves to be beyond their academic or maturity level. No refunds will be issued in this case.

Attendance & Absences: Due to the significant preparation involved in classes, testing, and events, please notify the CHSRC office as soon as possible if your student will be absent. All class and testing fees are non-refundable. Make-up work is not provided.

CHSRC reserves the right to withdraw a student if it becomes evident that the class is not a good fit for the child or for the group.
